DESCRIBING WHAT PEOPLE DO REGULARLY

(DÜZENLİ OLARAK YAPILAN EYLEMLERİ İFADE ETME)

When we want to talk about our routines, daily activities and habits, we use simple present tense. In order to make positive sentences in this tense, we use "the base form of the main verb" with the subjects "I, you, we, they" and we add "-s, -es, -ies" to "the main verb" with the subjects "he, she, it". In order to make questions in this tense, we use the helping verb "do" and "the base form of the verb" with the subjects "I, you, we, they". With the subjects "he, she, it" in questions, we use the helping verb "does" and "the base form of the main verb". Read the examples below to understand the sentence structure of simple present tense.

Rutinlerimizden, günlük aktivitelerimizden ve alışkanlıklarımızdan söz etmek istediğimizde, geniş zaman yapısını kullanırız. Bu zamanda olumlu cümleler kurmak için, "I, you, we, they" öznelerine "temel fiilin yalın halini" yükleriz. "He, she, it" öznelerinde ise "temel fiile" "-s, -es, -ies" takılarından birini yükleriz. Soru cümlelerini oluştururken, "I, you, we, they" öznelerinde "do" yardımcı fiilini ve "temel fiilin yalın halini" kullanırız. "He, she, it" özneleriyle soru oluştururken ise, "does" yardımcı fiilini ve "temel fiilin yalın halini" soru cümlelerine yükleriz. Geniş zaman cümle yapısını kavramak için aşağıdaki örnekleri okuyun.

Examples:

- I do my homework after school every weekday.
- You wake up early on weekdays because you go to school.
- We have a big family breakfast every Sunday.
- They attend classes from 8:30 to 4:30 on weekdays.
- He has a lot of homework at the weekends.
- She runs errands every day.
- It rains a lot in winters in İzmir.

REMINDER!

 I/You/We/They attend a guitar course every Sunday.

BUT

 He / She attends a guitar course every Sunday.

Read the sentences and learn. Cümleleri okuyun ve öğrenin.

I go cycling with my best friend on warm days.

My sister and I take a ballet course on weekends.

I write in my diary when I have free time.

Sally listens to music on her computer in her free time.
